Event Description: By exploring the roles and culture of four women from around the world, Junior Girl Scouts will work towards earning the World Neighbors badge. Through larger group discussions, group work, and exploration of the exhibits in Heifer Village scouts will gain an understanding of how women live around the world and how Heifer International helps women in Africa, Central Europe, Asia and the Americas. Heifer Village introduces visitors to the possibility of a world without hunger and poverty. It has hands-on exhibits that encourage visitors to become part of Heifer's mission to end hunger and poverty while caring for the earth. Each scout will receive a special Heifer International patch that will act as a reminder of what they had learned during their visit.
